FROM CONCEPT TO COMPLETION

3635 Afton Road
San Diego, CA 92123 USA

Phone: **858-292-1212**
Fax: **858-292-4635**
Email: info@centurydesign.com

Highlights

- ◆ Used on any machinery or equipment that requires tensioning of tapes or filaments.
- ◆ Incorporates standard Century Design frictionless tensioning system.
- ◆ Electronically-controlled tension with readout to relative tension.
- ◆ Quick change spool assembly.
- ◆ Hardened and ground payoff rollers to redirect tapes or filaments.
